## Deconstructing RELIGION

### ABOUT THE BOOK:

Deconstructing Religion aims to tear down religious traditions that hinder the disciple of Christ from experiencing the power that comes from a whole relationship with our Heavenly Father through Jesus Christ.

### ABOUT THE AUTHOR:

Derrick Day is the founder and Pastor of Agape Dominion Outreach ([www.agapedominion.org](http://www.agapedominion.org)) in Surprise, Arizona and Founding Bishop of Kingdom Covenant, a ministry governance and church planting organization. ## Indie Artist Showcase

She is a powerhouse vocalist and one of few 'new school' class of female vocalists who can capture the definitive essence of traditional gospel and "church" music at its best. MONICA LISA STEVENSON is that vocalist who provides a commanding presentation and a life impacting spiritual encounter through every song she sings.

Robinette C. Reed was born in Beaumont, TX to the late Robert Simon and Mrs. Edna Kidd. She began singing at an early age in the junior choir at Second Missionary Baptist Church, in Yuma, AZ, and later advanced to the youth choir and has been singing and ministering ever since. Her heart's desire and passion is to spread the good news of Jesus Christ, through music and the preached word.

Earl White (October 05, 1967) has had a long-standing career in the music industry. Because of his many established relationships within the industry, Earl has been afforded many opportunities to sing background vocals, play bass guitar, and drums. He has established himself not only in gospel music but in other genres as well. Earl's music can be purchased on iTunes and Amazon. It is available for streaming on the following mediums, Spotify, iHeart Radio, Google Play, Amazon and Rhapsody.

## Some Books of Interest Just For You

### **Sylvia Thibodeaux-Perry | Plug In and Stay Connected to God**

In today's society, many people try to do good, be honest, and do what they think is right. They like to work out their own plans, rather than letting God work through them. The only way to live a truly effective life is to stay close to Jesus, like the branch attached to the vine. You cannot afford to be disconnected from your source of life, which is God. We cannot produce fruit when severed from the vine. God wants you and I to live in Him, and He in us. John 15:5 KJV says, "I am the Vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing" Sylvia shares with you how to go through life's situations and come out victorious.

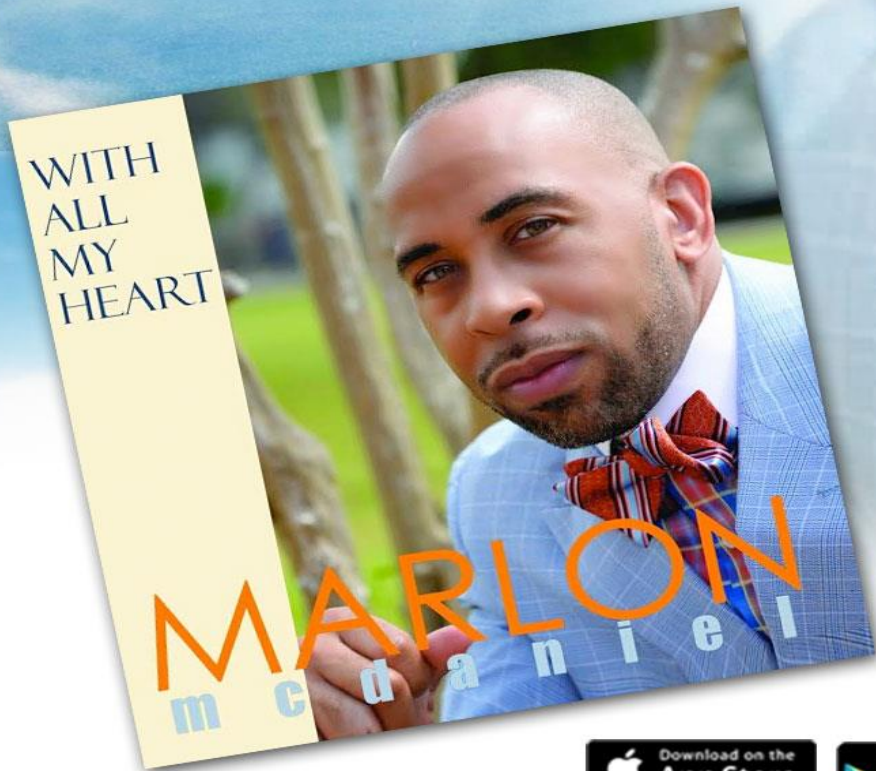

### **Paul Wilson, Jr. | Jobs, Justice, & Jesus: An Economic Evangelism Playbook to Reach Urban Youth**

An incredible new resource for pastors, church leaders, youth workers, business people, and community change agents to break cycles of poverty, restore hope, and create opportunities for young people in urban communities and beyond! This revolutionary book presents a Kingdom-driven, Gospel-centered entrepreneurship community transformation strategy with the goal of providing powerfully viable alternatives to poverty, unemployment, and other harsh financial realities faced by millions of youth and young adults in urban communities.

A portrait of Pastor Bobby Winter, a Black man with short hair, wearing a white suit jacket over a red shirt and a patterned tie. He is looking slightly upwards and to the right with a gentle expression.

# PSALMIST AND PASTOR BOBBY WINTER

## M I N I S T R I E S

### Biography

Abandoned by his parents in a dumpster, Bobby Winter's journey is a testimony as to how The Lord can raise up from the lowliest a person to deliver His message and become a vessel that leads others into God's presence through anointed music.

Although known to many as Pastor Bob, he has always had a heart of a Psalmist and found the mercy and love of God through the gift of music and the gift given to him as a singer.

The pastor of Evangelical Sanctified Church in Indianapolis, IN, Bobby has been singing since the age of 11, finding both solace and joy in music.

In 2013 he released his first album, 'Jezi mwen', a trilingual album sung in Creole, French and English, to much critical acclaim. The unique and diverse collection of songs has also been a calling for many into the arms of The Lord.

His latest single 'Pray For America' is about to be released, ahead of a new album in 2017.

Bobby has become known as one of the most anointed prophetic vessels across the States, particularly in the Haitian community, rising from Worship Leader to Pastor in his church and inspiring many through his testimony to God's greatness.

His ministry has been inspired by seeing the Lord show his mercy and love in healing people from diseases such as cancer, but he acknowledges his biggest struggle was, as an orphan, understanding God's love and His plan for his life. The light shone through and Bobby is now walking the path that God has offered, perseverance and faith maintaining him every step of the way, whether singing for the Lord, or as an anointed preacher spreading the Good News in the Gospels across the US.

His worshipful and inspirational music reflects his deep passion to write and sing in praise of God's Mercy.

Bobby studied in Valor Christian College, Columbus, Ohio, Ohio Christian College and Indiana Wesleyan University.

Married to Renata, they have one child, Abrielle.

His goals in life are: "to impact the world through worship music and through sound preaching."

He says: "I was found in a dumpster, and my parents decided not to keep me, but God reached down and pulled me up. And, God uttered these words to me "You are a piece of gold found in a dumpster, so is everyone who does not know me".

"My mission is to pull others out of the spiritual dumpster the same way I was pulled out of a literal dumpster. My goal is to fulfil just that."
