# Kevin Riley Releases Two Hot New Singles

(Little Rock, AR) - With distinct baritone vocals, Anjelica Records's Artist, Kevin Riley is known as the "storyteller" of Christian music. With a style like that of a troubadour, Riley vividly paints the picture of his songs through dynamic vocal inflection and passionate expression. Embracing his uncommon voice type, Riley continues to make great strides as an Independent Artist and his music has garnered tremendous airplay across the nation.

Since Riley's last CD project, "Restored for Worship," he now has a new attitude and walks in the boldness, confidence and authority of the Holy Spirit. His new project entitled "Covers" is slated to be released in the Fall of 2017. From the upcoming album, two singles have been released and are available for download on all digital media outlets.

In the first single released from "Covers," Riley continues to proclaim that "There's No God Like Jehovah!" from the 1996 classic "Days of Elijah" written by Robin Mark. In the second released single, Riley covers the timeless message of "I Am Not Alone" by Kari Jobe in a very compelling performance.

In 2013, Jason formed J. Bethel & Spoken For, a group of gifted and anointed singers who Bethel calls "innovative, energetic and God-driven". Members Zshawntanique V. Starks, Angela Davis, Philip Pettigrew, Nicole Stephens, LaToya Nakima Williams and Cynthia Stanfield give Bethel the perfect background to execute his God-breathed songs.

"ALL IN" was the group's first foray into the world of recording. The project's singles, released in 2012, caught the attention of some in the industry which set the scene for the upcoming project. "You're God", a lively, up-tempo praise jam, is the lead single from the upcoming release. With a thumping beat and vibrant vocals, the track makes praise contagious. Penned by Bethel, it's an unforgettable tune, a perfect opener for praise teams on Sunday morning.

"Spoken For" is a song that will touch your heart, mind and spirit. From the melodic tones of the piano, strings, guitar, ect. To the dynamic vocals acrobatics, "Spoken For" will teach you the power of Love and salvation through Jesus Christ.!

## Deconstructing RELIGION

### ABOUT THE BOOK:

Deconstructing Religion aims to tear down religious traditions that hinder the disciple of Christ from experiencing the power that comes from a whole relationship with our Heavenly Father through Jesus Christ.

### ABOUT THE AUTHOR:

Derrick Day is the founder and Pastor of Agape Dominion Outreach ([www.agapedominion.org](http://www.agapedominion.org)) in Surprise, Arizona and Founding Bishop of Kingdom Covenant, a ministry governance and church planting organization. He is the husband of Angela and the father of five sons. Derrick has been faithfully studying, preaching, and teaching the uncompromised Word of God for nearly thirteen years. In addition to his labor in the Kingdom of God, he is a consultant in software engineering, a former columnist with the Norfolk, Virginia New Journal and Guide, and a former radio talk-show host at WNIS News Radio in Norfolk, Virginia. Derrick also served in the United States Navy, honorably discharged after seven years. He is a native of Detroit, MI.

# PSALMIST AND PASTOR BOBBY WINTER

## M I N I S T R I E S

### Biography

Abandoned by his parents in a dumpster, Bobby Winter's journey is a testimony as to how The Lord can raise up from the lowliest a person to deliver His message and become a vessel that leads others into God's presence through anointed music.

Although known to many as Pastor Bob, he has always had a heart of a Psalmist and found the mercy and love of God through the gift of music and the gift given to him as a singer.

The pastor of Evangelical Sanctified Church in Indianapolis, IN, Bobby has been singing since the age of 11, finding both solace and joy in music.

In 2013 he released his first album, 'Jezi mwen', a trilingual album sung in Creole, French and English, to much critical acclaim. The unique and diverse collection of songs has also been a calling for many into the arms of The Lord.

His latest single 'Pray For America' is about to be released, ahead of a new album in 2017.

Bobby has become known as one of the most anointed prophetic vessels across the States, particularly in the Haitian community, rising from Worship Leader to Pastor in his church and inspiring many through his testimony to God's greatness.

His ministry has been inspired by seeing the Lord show his mercy and love in healing people from diseases such as cancer, but he acknowledges his biggest struggle was, as an orphan, understanding God's love and His plan for his life. The light shone through and Bobby is now walking the path that God has offered, perseverance and faith maintaining him every step of the way, whether singing for the Lord, or as an anointed preacher spreading the Good News in the Gospels across the US.

His worshipful and inspirational music reflects his deep passion to write and sing in praise of God's Mercy.

Bobby studied in Valor Christian College, Columbus, Ohio, Ohio Christian College and Indiana Wesleyan University.

Married to Renata, they have one child, Abrielle.

His goals in life are: "to impact the world through worship music and through sound preaching."

He says: "I was found in a dumpster, and my parents decided not to keep me, but God reached down and pulled me up. And, God uttered these words to me "You are a piece of gold found in a dumpster, so is everyone who does not know me".

"My mission is to pull others out of the spiritual dumpster the same way I was pulled out of a literal dumpster. My goal is to fulfil just that."
