J. bethel & SPOKEN FOR

In 2013, Jason formed J. Bethel & Spoken For, a group of gifted and anointed singers who Bethel calls "innovative, energetic and God-driven". Members Zshawntanique V. Starks, Angela Davis, Philip Pettigrew, Nicole Stephens, LaToya Nakima Williams and Cynthia Stanfield give Bethel the perfect background to execute his God-breathed songs.

"ALL IN" was the group's first foray into the world of recording. The project's singles, released in 2012, caught the attention of some in the industry which set the scene for the upcoming project. "You're God", a lively, up-tempo praise jam, is the lead single from the upcoming release. With a thumping beat and vibrant vocals, the track makes praise contagious. Penned by Bethel, it's an unforgettable tune, a perfect opener for praise teams on Sunday morning.

"Spoken For" is a song that will touch your heart, mind and spirit. From the melodic tones of the piano, strings, guitar, ect. To the dynamic vocals acrobatics, "Spoken For" will teach you the power of Love and salvation through Jesus Christ.!

Steve Dalton states, "I penned the song because I saw first-hand the effect of the situation in my city September 2016. Charlotte was declared a state of emergency. The national guard was deployed to restored order. As an artist, we can be the voice of the people in a time when they feel that they have no voice. So I felt obligated to provide an answer. It was as if the lyrics were downloaded to me from God. And the song was birth." Visit <http://amzn.to/2shAU3a> to get your copy today!

North Carolina Gospel Ensemble, Steve Dalton & The Leviticus Singers of Charlotte, Push The Love Of Christ Addressing Social Issue With New Single, "Heal The Scars"

(Charlotte, NC) – Gospel Ensemble Steve Dalton & The Leviticus Singers of Charlotte are known for providing rousing, soul-shaking sacred music. The multiple award-winning ensemble entered the Gospel music industry with the release of their 2016 songs, "I WIN, The Remix", featuring Stellar Award Nominee, Dove Award Nominee and lead singer for the award-winning Donald Lawrence & Tri City Singers, LeJuene Thompson. The song debuted at #9 on ITUNES top 100 Christian Gospel New Release Chart and also on the Gospel BDS charts as one of the top 100 songs in the country. Since that time, the group, who has opened up for Marvin Sapp, John P. Kee and Jonathan Nelson, released a seasonal song, "Jesus Christ Is Born". Now, they are breaking ground with a new single entitled "Heal The Scars". Hailing from the Queen City, which experienced racial unrest last year, Steve Dalton & The Leviticus Singers of Charlotte chose to speak to the violence by releasing a new song aimed at mending a city that was torn at the seams. The song is currently available on iTunes, [Amazon](#), Google Play and other digital music outlets.

The group's leader felt it was important to address the recent conflict in Charlotte from a spiritual perspective. Dalton says, "As Christians we cannot walk around with blinders ignoring things that are taking place in our world. We have a right to be socially aware of all types of injustice whether it be racial, spiritual, economical, etc. The Bible is not only filled with David's vertical worship songs. But there are horizontal encounters in it as well such as murders, government issues, adultery claims, etc. So not only is it okay for us to sing about HIS Love, but at the same time it's also okay for us to speak out about injustice, i.e. world issues, using the message of HIS Love to let people know that all men are created equal."

Started in 2002, Steve Dalton & The Leviticus Singers of Charlotte dropped their first CD, *Address Change: God's Great Relocation Music Project*, in 2006. It positioned the group as a singing aggregation focused on "vertical music". They are currently finishing up their sophomore project, *As One: Release the SOUND*, a double CD featuring one disc of worship and another disc of praise. The Gospel industry has taken note of the group and they've been nominated for numerous awards and have won the 2015 Gospel Image Award for Best Video of the Year for "I WIN" and a 2016 Gospel Image Award for Group of the Year. They have appeared on Atlanta Live, Babbie's House, Friends & Neighbors, Nite Line, Hour of Harvest, TCT TV and Club 36. Steve Dalton is featured on the April 2017 cover of *Change Gospel Magazine*. A portrait of Pastor Bobby Winter, a Black man with short hair, wearing a white suit jacket over a red shirt and a patterned tie. He is looking slightly upwards and to the right with a gentle expression.

PSALMIST AND PASTOR BOBBY WINTER

M I N I S T R I E S

Biography

Abandoned by his parents in a dumpster, Bobby Winter's journey is a testimony as to how The Lord can raise up from the lowliest a person to deliver His message and become a vessel that leads others into God's presence through anointed music.

Although known to many as Pastor Bob, he has always had a heart of a Psalmist and found the mercy and love of God through the gift of music and the gift given to him as a singer.

The pastor of Evangelical Sanctified Church in Indianapolis, IN, Bobby has been singing since the age of 11, finding both solace and joy in music.

In 2013 he released his first album, 'Jezi mwen', a trilingual album sung in Creole, French and English, to much critical acclaim. The unique and diverse collection of songs has also been a calling for many into the arms of The Lord.

His latest single 'Pray For America' is about to be released, ahead of a new album in 2017.

Bobby has become known as one of the most anointed prophetic vessels across the States, particularly in the Haitian community, rising from Worship Leader to Pastor in his church and inspiring many through his testimony to God's greatness.

His ministry has been inspired by seeing the Lord show his mercy and love in healing people from diseases such as cancer, but he acknowledges his biggest struggle was, as an orphan, understanding God's love and His plan for his life. The light shone through and Bobby is now walking the path that God has offered, perseverance and faith maintaining him every step of the way, whether singing for the Lord, or as an anointed preacher spreading the Good News in the Gospels across the US.

His worshipful and inspirational music reflects his deep passion to write and sing in praise of God's Mercy.

Bobby studied in Valor Christian College, Columbus, Ohio, Ohio Christian College and Indiana Wesleyan University.

Married to Renata, they have one child, Abrielle.

His goals in life are: "to impact the world through worship music and through sound preaching."

He says: "I was found in a dumpster, and my parents decided not to keep me, but God reached down and pulled me up. And, God uttered these words to me "You are a piece of gold found in a dumpster, so is everyone who does not know me".

"My mission is to pull others out of the spiritual dumpster the same way I was pulled out of a literal dumpster. My goal is to fulfil just that."
