About Robert...

Robert Holmes is one of the most extraordinary, creative, inspiring, and exciting upcoming names in contemporary gospel, breaking down doors in his quest to bring the true word of God to a sinful world. Robert is a Gospel/Christian artist, singer-songwriter, drummer and entrepreneur. Robert has developed a distinctive sound he calls "life changing music," mixing spiritual lyrics with an upbeat sound and bringing his 20 plus years as a drummer at Church, High School and University. It's also what has inspired him to bring his message to the world, both through his personal social networking site and his online store where he markets high demand women's hair extension bundles. A Robert Holmes concert really is the best showcase of his conviction, his display of giving back to his community, and his overwhelming excitement about his message. Jesus that is.

J. bethel
& SPOKEN FOR

In 2013, Jason formed J. Bethel & Spoken For, a group of gifted and anointed singers who Bethel calls "innovative, energetic and God-driven". Members Zshawntanique V. Starks, Angela Davis, Philip Pettigrew, Nicole Stephens, LaToya Nakima Williams and Cynthia Stanfield give Bethel the perfect background to execute his God-breathed songs.

"ALL IN" was the group's first foray into the world of recording. The project's singles, released in 2012, caught the attention of some in the industry which set the scene for the upcoming project. "You're God", a lively, up-tempo praise jam, is the lead single from the upcoming release. With a thumping beat and vibrant vocals, the track makes praise contagious. Penned by Bethel, it's an unforgettable tune, a perfect opener for praise teams on Sunday morning.

"Spoken For" is a song that will touch your heart, mind and spirit. From the melodic tones of the piano, strings, guitar, ect. To the dynamic vocals acrobatics, "Spoken For" will teach you the power of Love and salvation through Jesus Christ.!

About *Michelle Brooks-Thompson*

After being presented with a private audition for Season 3 of **NBC's the Voice** in 2012, Michelle's voice was introduced to millions of viewers world wide. Michelle's supernatural singing ability, as quoted by her celebrity coach & mentor, Adam Levin, resulted in a 3-chair turn around and standing ovation for the Gospel singer, after belting a soul-stirring, gospel accentuated version of Tina Turner's "Proud Mary."

Since the young age of 5 years old, Michelle was identified as a child prodigy by all who heard her sing & play piano. It was undeniable that God had given her an immense amount of talent that would be used for His glory. Growing up Michelle pursued her God given purpose by serving as minister of music, the director of several education institutional choirs, a private vocal instructor, and earning her Bachelor's Degree in Music and Religion from Mount Holyoke College..

Prior to Michelle's debut on **NBC's the Voice** and present solo career, the soprano powerhouse performed as a backup singer for various Gospel recording artists. She has opened shows for both Contemporary Christian & Gospel artists including **Pastor Donnie McClurkin, James Fortune & FIYA, Zecardi Cortez, Doobie Powell, Bebo Norman, Eric Taylor, Shana Wilson** and more. She's also appeared on several tapings of **TBN's Praise the Lord** and **Bobby Jones Gospel** on the **IMPACT Network**. In addition, she has won MANY national and regional singing competitions.

Michelle's national recognition from **NBC's the Voice** and Gospel music career is coupled with her fame for her rendition of the *Star Spangled Banner*. She has performed at major sporting events for the **NBA, NFL, MLB, MLS** and Collegiate sporting events, as well as major tributes to national sports athletes like **Derek Jeter** (NY Yankees), **Pedro Martinez** and **David Ortiz** (Boston Red Sox's). Michelle's rendition of the National Anthem was debuted with the **Boston Symphony Orchestra** and televised during the 2015 **Boston Pop's July 4th Spectacular** on ABC. In 2017, Michelle performed during the **NBA Eastern Conference Games** and the **US Men's Olympic Soccer** Invitational against Ghana televised on **ESPN**. Her rendition has become recognized as one of the best versions of the National Anthem amongst Whitney Houston and Marvin Gaye!

Michelle continues to travel and perform in venues, sports arenas and churches all over. She is currently a finalist in the **2017 Amateur Night at the Apollo Super Top Dog Finals**. To learn more about

If there is anything we need in the world today, it is LOVE! Jill, the visionary of Esther, said when she heard the music track presented by their producer all she heard was LOVE. All forms of love is what she heard in her head so she decided to pen this song title love. They believe as you listen your understanding of Love and more importantly God’s love will increase. Download it everywhere great music is sold.

Earnest Pugh’s new radio single, “Survive,” a riveting song of faith and perseverance, is available on all major digital music platforms and it will be a downloadable instant grat track with pre-order purchases of the album. A Word from Larry W. Robinson

It is disrespectful to form an opinion about someone solely based on someone else's opinion of them. Furthermore, it is dangerous to form your ideology or concept about someone and you have never been personally acquainted with them. Oftentimes that's exactly what we do with God. We don't take time to REALLY get to know God for ourselves. We just go by what others have said about God.

One thing an enemy does is attack a person's character, influence and integrity to break or destroy your confidence or trust in that person. And we look at them as that person's hater or enemy. But get this, that person is not the other person's enemy...they are actually YOUR enemy. Many times a person attacks another person's character, influence and integrity to break or destroy your confidence or trust in that person...more often than not, what they are REALLY trying to do is to conquer and take advantage of YOU! That is the key strategy of the enemy of your soul. If the enemy of your soul can cause you to believe that God can't be trusted or relied upon...guess what...YOU are left powerless and defeated!"
