

Walk register

You must keep a record of everyone on the walk, in case this is needed for NHS contact tracing.

For Ramblers groups, the easiest way to do this is by using the **Ramblers app**. Find out more about [using the app to take a register](#).

Use this form if you're taking a **paper register**.

- ❌ Don't collect more information than you need – just names and a contact phone number.
- ✅ You must only use the information if requested by NHS contact tracers – don't share the list with anyone else.
- ✅ Let walkers know why you are collecting the information, and encourage them to support NHS contact tracing by providing their details.
- ✅ Keep the list securely and destroy it after 21 days.

If you are contacted by NHS contact tracers, please let us know at volunteersupport@ramblers.zendesk.com

Walk Details

Walk Leader	Date of Walk	Keep until date <i>(21 days after walk)</i>
