2023/2024 Christmas and New Year Bus, Coach DRT and ScotRail Services Summary for Dundee City Council Area

This is a return to the previous booklet format, as opposed to the giant spreadsheet I used last two years. The text section means all the pages can be the same size for easy home printing. In terms of services this Festive Period, its pretty much the same as last year but PLEASE check the timetable carefully! This is free of charge to everyone, for the public benefit . This 3rd Edition is correct to Friday 10th December 2023. All the information is in with Flixbus and minor typos added since 2nd Edition.

How To Use This Guide?

Two sets of tables follow; Bus Coach and DRT start on the next page, while a ScotRail summary is below.

Operators and other sources have real time, maps, journey planning etc. – but how can you find out what is out there if you cannot find a printed (or online) resource listing everything you will need to know?

Well, now you've found it!

The site currently covers not only Tayside (that's what is now Dundee City, Angus Perth & Kinross), but now also covers the Bridgehead areas of Newport, Wormit, Gauldry, Tayport and Forgan, as covered by the Dundee ABC multi operator ticket (Dundee zone) too, as well as Killin, Lix Toll and Lochearnhead in Stirling, as well as Stonehaven and the Mearns of Aberdeenshire.

From 24th January 2022 I've expanded coverage dramatically to include all of Stirling and Clacks, with more stuff in planning for early 2024.
