### WHAT WOULD JESUS ASK? | JIM DIXON

What Would Jesus Do? or WWJD has become ubiquitous on T-shirts, coffee mugs, wristbands and church billboards. But when trying to define the Christian life Jesus intended his followers to live, a more valuable question is *What Would Jesus Ask?* Readers will find that, according to the Gospels, Jesus posed hundreds of questions that taken together lay a foundation for strong, vibrant, and lasting faith. As individuals or groups wrestle with Jesus' questions, they will find the answers they need to live a more holistic and committed Christian life.

# “Social Media Tips of the Month”

*Gospel Updates Magazine*

## ANNIVERSARY ISSUE

### **1. PUT A POSITIVE SPIN ON THINGS.**

Rather than joining the “angry, bitter crew”, say something positive and uplifting related to important issues that your audience care about. Social-media users are more likely to follow you if you share happier updates. Emotions are contagious and people enjoy optimism.

### **2. BUILD & CREATE FACEBOOK GROUPS.**

As organic reach for the Facebook pages of businesses and brands continue to diminish, entrepreneurs, marketers and publishers should instead consider creating and managing Facebook Groups. The advantage is that members can opt in to receive direct notifications about updates. You can also use this as a promotional tool. **BUILD YOUR BRAND!**

### **3. STAND OUT, TAKE RISK. HAVE FUN!**

Playing it safe guarantees nothing. Instead, take a few calculated risks that may prompt your audience (and their friends, fans and followers) to admire your business or brand authenticity and laugh, smile and share.

## Be Encouraged

### John 16:33 GNT

*I have told you this so that you will have peace by being united to me. The world will make you suffer. But be brave! I have defeated the world!"*

**Christina Lockett**

Prophetess, Author, Media Personality  
[www.christinalockett.com](http://www.christinalockett.com)

Some days you feel on top of the world. Everything is in order. Seems like everything you put your hands to do is working out.

The reality is everything is in order. Even in those days when everything seems to be out of order.

Be encouraged today and know that if you abide in God and he abides in you all is well.

Everyday will not flow according to your plan but keep waking up. Keep pressing in Jesus name.

Remind yourself daily that you are God's child. Jesus already defeated the world. You have power and authority over the enemy. Speak the word, live the word, and trust that everything is working out for your good.

According to 1 Samuel 30:6, David encouraged himself. It is a great feeling to have others believe in you and speak life over you. Prayerfully you have people in

your life that believe in you, believe in your dreams, and the vision God gave you. If you do not have encouraging people around please do not fret. Encourage yourself daily.

As we celebrate the one year anniversary of Gospel Update magazine I can only imagine that every day was not easy. **BUT GOD!**

Be encouraged my friend to stay the course. Pray, speak life, and encourage yourself daily in the Lord. Stay united with God because that is where you will find ultimate encouragement.

Happy Anniversary Larry Robinson and Gospel Updates! Be encouraged to keep providing the people a positive and uplifting magazine. Job well done!
