Parents and Guardians: Please be advised LICHs will no longer utilize PupilPath. Please ensure that you sign up for a NYC Schools Account. Setting up a basic account will allow you to get emergency notifications from the DOE.

Please email the Parent Coordinators for the registration letter.

- Go to <https://www.schoolsaccount.nyc/>
- Set up the account by:
- Entering your name and email address, creating a password, and answering a few brief security questions so you can reset the password if you forget it.
- After you create your account, you will be asked to verify your identity and your relationship to the student. After the account is created, you will be able to see your child's grades, test scores, and attendance.

At the end of August, LICHs took a group of our Freshmen Class of 2026 up to Camp Herrlich for some team bonding before we launch into the new school year. Students enjoyed climbing the high wall, kayaking, archery, hiking, soccer, basketball, group activity game, and some students visiting the petting farm. Thank you to Camp Herrlich for hosting us, and to the Thomas & Jeanne Elmezzi Foundation for supporting us as we wrapped up the summer.

**Please visit Zone 126
