## Quilt Prep Checklist

### FINAL PRESS

JUST MAKE SURE YOUR SEAMS ARE FLAT, EVEN IF  
THEY ARE WONKY

### TRIM BACK THREADS

YOU DON'T WANT THREADS SHOWING THROUGH ON  
LIGHTER FABRICS OF YOUR QUILT TOP

### TRIM TOP THREADS

THERE SHOULD BE NO LOSE THREADS ON THE  
QUILT TOP - DO YOUR BEST AND I'LL CATCH THE  
REST!

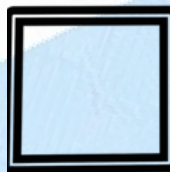

### SQUARE YOUR TOP

SQUARE YOUR TOP - FOR BEST LONGARM QUILTING  
RESULTS. I'LL KEEP YOUR QUILT SQUARE AS I  
QUILT.

### TRIM ANY EXCESS FABRIC

I'M TALKING ABOUT THOSE SASHING AND BORDER  
BITS HERE.

### WHICH WAY IS UP?

OPTIONAL: NOTE THE TOP CENTER OF YOUR QUILT  
TOP AND BACK BY USING A SAFETY PIN OR PIECE  
OF TAPE. PLEASE NOTHING THAT HOLDS PERSONAL  
VALUE.

### FOLD IT UP

TRY TO KEEP CREASES OUT OF YOUR TOP, NICE  
CLEAN FOLDS HERE.

### PACKAGE IT UP

PLACE YOUR QUILT TOP AND BACKING IN A ZIPLOC  
BAG FOR SAFE TRAVELS.
