

USC CART SAFETY

DO YOUR PART WHEN YOU DRIVE THE CART

5 tips for electric cart and low speed vehicle safety

STAY FOCUSED WHILE DRIVING

*Avoid common distractions
such as your cell phone,
your radio dial, or pedestrians*

DO NOT RUSH

*Leave earlier and slow down
en route to your destination.
When you park, do not block
fire lanes or ADA access.*

BE MINDFUL OF YOUR SURROUNDINGS

*Keep arms/legs inside the
vehicle and be aware
of the increased exposure to
hazards around your vehicle*

SECURE CARGO

*Do not overload your cart
or carry passengers on cart beds.*

CARTS ARE NOT TOYS

*Obey all traffic rules and ensure that only authorized
and trained personnel operate the vehicle.*
